THE WORLD'S FIRST WINERY

While archeologists unearth the world's oldest known winery in a cave in Armenia, a new generation of producers is reviving an ancient wine-making tradition 6,100 years in the making

BY ADAM LEITH GOLLNER SEPTEMBER 12, 2016

Looking out from the Areni-1 cave near the village of Areni in Armenia, where ongoing excavations have unearthed the world's oldest known proto-winery. William Hereford
